The smart alternative to bathroom & kitchen tiles

Easy to install and even easier to maintain, our wall panels, floors and ceilings are perfect for your shower, bathroom or kitchen. Available in a broad range of colours, textures and finishes, enabling you to create a contemporary design that matches your personality.

top tips

“With no grout joints where mould can thrive, shower panels simply wipe clean - protecting your walls from water ingress”

Linda Barker

Collection
Natural and Authentic Tones

Linda Barker Multipanel - Calacatta Marble Shown

Sophistication made simple

Set your imagination free and create beautiful waterproof spaces with Multipanel, the luxurious and practical way to refurbish your bathroom. Quick and easy to install, Multipanel lets you achieve stunning looks that will last for years to come.

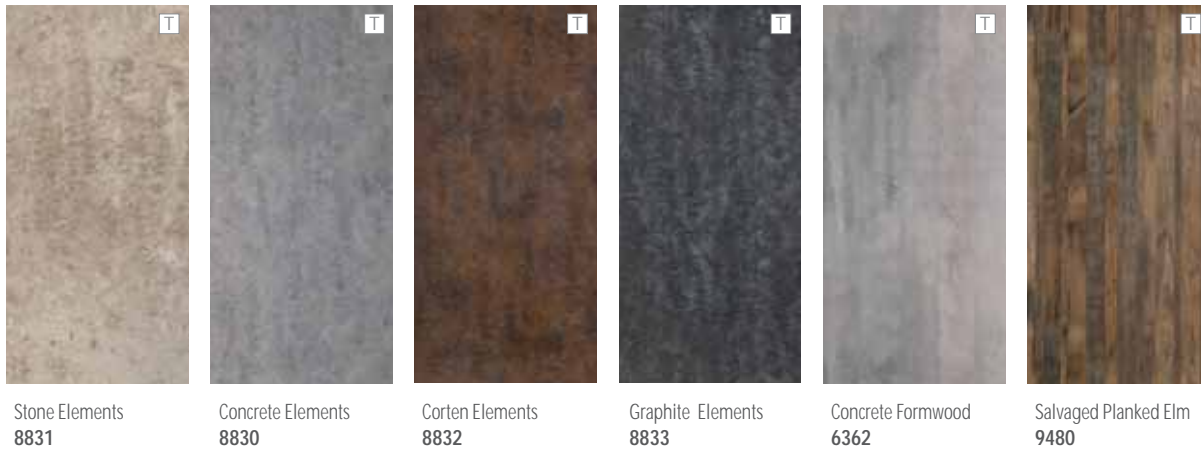

With Multipanel you can say hello to years of easy care and goodbye to cleaning grout and mould. And, because Multipanel's beautiful walls, floors and ceilings come in a huge selection of exquisite colours and textures, a whole host of design possibilities open up for you to reinvent your bathroom in a style uniquely yours.

- Quick and easy installation
- Easy cleaning - a quick wipe down and you're done
- Completely waterproof with no need to grout
- Smooth and virtually seamless results with watertight Hydrolock joint

Elements

Elements panels really pack a punch by conveying mood and atmosphere. Subtle hues and the incredibly solid appearance of these panels fit the bill perfectly for achieving that ultra modern industrial look.

Wood

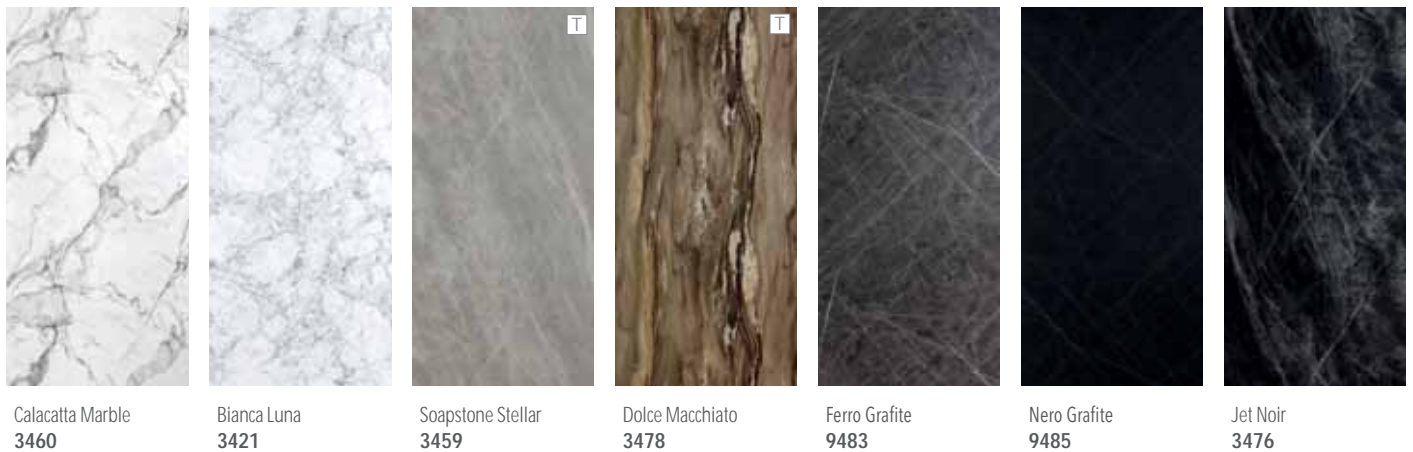

With a slightly weathered look, our panels exude gentle warmth and texture that will transform your bathroom into a place of calm and tranquility.

Stone

Emulate the swankiest hotel bathrooms by getting the look and feel of real stone and marble, but at a fraction of the cost.
